

# Wireframes

A wireframe of a login page within a design tool interface. The page has a title "Login Page" at the top center. Below it, there are two labels: "Username :" and "Password :". Each label is followed by a text input field with the placeholder text "Enter Text". Below the password field, there are two buttons: "submit" and "Register". Below the buttons, there is a link "Forgot Password" and another link "Click Here". The design tool interface includes a top ruler from 0 to 10, a left sidebar with various shape tools, and a right sidebar with a vertical scrollbar.
